Judy,

As I sit here with this ^{book} before me
I don't know what to say, except remember
those good old days when you were learning
to drive. Remember that first night; driving
around T.O.'s parking lot in LOW gear.
Oh, Golly, How could we ever forget those
joy rides. And remember we were going to
haul Boostlog at one time, but we would have
gotten away with it! Don't you? Boy, we've
really had a time during our ^{high} school years.
Those "little love notes" from Butch and
Charlie. And what about the day we
slipped out of phy. Ed. and were sitting
in the car with Danny B. listening to
the radio. Man, when Mr. Watkins
drove around that curve, I've never
been so scared in my life. But
after that we sure got brave.

Judy, I want to wish you the best of
luck in the future. I know you are going
to love Interment and maby^y (I never could spell)
if you go into nursing, ^{well} maybe will meet
in a hospital sometime. Always remember
the good times we had. Be Good! HA!
HA!
Your "wicked" friend,
Janet "Noo"

Fifty Years of Education 1910-1960

FOREWORD

This year is a very special one at Stuart High. We are celebrating a half century of service by Stuart High School to the people of Polk County.

We, the staff, in preparing a record of the school year, have had the privilege of making a constant contact with you and we certainly "believe."

I N H O N O R

From 1910 to 1960 the graduating classes have continually grown. In 1910 there was only one graduate; therefore, we, the Jeb Staff, think it is fitting to dedicate this Annual to the first graduate-- Mrs. Annie Lee Allison.

ADMINISTRATION

It is certain that these "Fifty Years of Education" could not have been possible without the unselfish labors of a staff, dedicated to the task of educating the youth of our community. In recognition of this great service, the Jeb Staff, on behalf of the Seniors of 1960 and the rest of Stuart High School, would like to offer these two simple words to our faculty--
THANK YOU.

Editor

Our Principal...

Mr. W. B. Watkins

Prior to this year Mr. Watkins has given to the Jeb Staff a message for the Seniors. This year, however, being a very special one, we, the Jeb Staff and Seniors of 1960 would like to say to the man who, throughout our years at Stuart High has gained our love and certainly our respect, that we think ourselves indeed fortunate to have been associated with a man who has given so much to us not only in formal education, but also education in sportsmanship and the ability to live with our fellow man. To Mr. Watkins we offer our gratitude for helping make our years at Stuart High ones which we will remember all our lives.

*Best wishes to a fine girl.

CLASSES

In the process of acquiring a well rounded education there is, of course, a need for a large amount of class work. Although it may seem to some of us only a necessary evil, we will find as the years go by, and as we put to use the knowledge that we have acquired, that time we spent in class was certainly worth while.

The Seniors at Stuart High suffered a loss greater than we thought imaginable in the untimely death of our classmate. It can be said in all sincerity that there was not anyone who was any more loved and respected.

Although Jack lived a comparatively short while, his life made such an impression on all of us that he will be in our memories always.

Along with our formal education there need to be certain organizations which teach government and citizenship as we help our school. Some of the clubs are formed to give us additional information in a certain field, and still others are formed to give recognition to the achievements of certain pupils. These organizations are certainly necessary in the framework of a well rounded education.

The F. F. A. is a national organization of pupils studying vocational agriculture.

It is an intra-curriculum activity, having its origin and root in a definite part of the school curriculum--vocational agriculture. Among other things, members learn through active participation how to conduct and take part in a public meeting, to speak in public, to buy and sell cooperatively, to solve their own problems, to finance themselves, and to assume civic responsibility. The foundation upon which the Future Farmers of America organization is built includes leadership and character development, sportsmanship, co-operation, service, thrift, scholarship, improved agriculture, organized recreation, citizenship and patriotism.

ATHLETICS

At Stuart High sports play an important part in the activities of the year, but we find that all is not play as it may seem. Into each game goes days and weeks of hard practice and planning. We at Stuart have had losing and winning teams, but from each loss and each victory we have learned. Stuart High prides itself in the sportsmanship that it has displayed throughout the athletic events and we think that we have gained much, both in physical skill and in the fine skill of friendship.

E L E M E N T A R Y

As someone enters the elementary building he will probably be confronted with a group of people who contrast greatly in appearance. Some are very small, some quite big; some quiet, some loud; but although there is a variation in physical appearance most of them realize they are moving toward a common goal - a fuller life through education.

Editor

Mr. Edmund Greer
Elementary Principal

Of course, behind any high school student there have been years of elementary training. In these early years of education the interest, enthusiasm, behavior, and paths of the students are molded by their first teachers. To be able to do such a task a teaching staff must be gentle, but stern, understanding, patient and dedicated. We at Stuart are fortunate in having just such a staff.

Freedom Isn't "Free"

Our graduates have an opportunity to enjoy a life of freedom, plenty and individual choice — privileges earned by our forefathers.

However, we have a responsibility to perpetuate these privileges. They are not given us "for free". We must earn them ourselves. Individual devotion to The American Way is as important today as it was in 1776.

Today's graduates must shoulder this responsibility, or there will be no freedoms to bequeath tomorrow's students.

As Goethe, the poet, said, "What you have inherited from your fathers, earn over again for yourselves or it will not be yours."

"Judie,"

Of all the friends I've ever had, you're the one I'll never forget. We've had so much fun from the second grade on up till this year. When we had the little play at your house when we were so little, when we drove around and around in Tom's parking lot, and the fun we had on Halloween, I always had so much fun. The quarrels we had were of so little importance next to the good times we had together. The Junior and Senior Prom and Banquet topped it all off. We had so much fun. Remember the waitress at Parkmore? I wish you all the luck in the world because you deserve it. Ronnie is a very lucky boy. I hope he takes care of you.

A very good friend,
Jack Williams

P.S. Excuse sloppy writing.

"Judie"

Well "Miss Judie" This year has really been a blast.

This history class has been nothing but fun and it could not have been the same without you. Don't ever forget the fun and laughs we have had since: the basketball trips, the junior-senior and singing to the senior class and are looking forward to being a senior with you. Best of everything to a very cute, sweet, and nice girl.

Love, Mike M.

Judy,

It has been great going to school with you these past years. Remember all of those good times we have had: ball practice and the Ski Trip. Don't forget when we went to Camp Platteville and C. Wright House.

Love,

Michael

Judie, I don't know where to start to say how much I've enjoyed knowing you and being your friend. Thanks for all those rides and all the talks since we've about your big brother. Have fun next year as a big Senior. Remember me always.

Love ya!
Quie
